CEO Jean Knight

Can you believe it is December already?

If anyone has driven around town lately it has been a hive of activity. Works are continuing on the Annetts Rd upgrade, and have commenced on Garland Street and footpaths have been constructed in several areas around town. Please drive safely when travelling where any works are being undertaken.

The construction of the new Multi-Purpose Early Childhood Learning Centre in McNeill Street is coming along well. The framework for the building has been constructed.

Works will commence on the demolition of the rear of the town hall that houses the public amenities and backstage dressing rooms in the coming weeks. We are currently seeking quotes for the flooring. The submission period for these quotes closes in January 2023.

CEO Chit Chat

At the November Council Meeting, Council supported two subdivisions which are proposed to be undertaken by DevelopmentWA. This will be a nine (9) lot industrial and nine (9) lot residential subdivision. In addition, Officers are liaising with Department of Planning, Lands and Heritage seeking to source land to develop additional residential lots in the townsite of Dalwallinu.

The public submission period closes on 8 December 2022 for the Review of Elected Member Representation. The LG Reforms plan to reduce elected member representation to Councils with a population of less than 5,000 to between 5-7 members. Local Governments with more than seven (7) members are required to undertake a review and invite public submissions before Council makes their decision.

Council held a Strategic Planning Workshop on 25 October 2022. This workshop has provided guidance for the Administration to research some very important projects and report back to Council for them to prioritise.

Council representatives and Officers met with Melissa Price, Member for Durack on 5 December 2022. Melissa was taken on a tour of the Shire and we enjoyed an evening meal.

Just a reminder to community groups that Council has two (2) rounds of Community Grants each year. For the past couple

of rounds we have not had any applications. Please bear this grant funding in mind should your group require any new equipment or has any projects they wish to undertake. The next round will open in early 2023.

Save the date for the Shire's next event. We will be hosting a Retro Musical Bingo Night on Friday 10 March 2023. Funds raised will go towards the Multi Purpose Early Childhood Learning Centre.

On behalf of Council and the Staff at the Shire of Dalwallinu, I wish everyone a safe and Happy Christmas and New Year.

It's not too late to be a Stall Holder

Have you booked your stall for the Street Party on 9 December 2022?

There are still limited spots available.

Please contact Deb at the Shire on 9661 0500 to reserve your spot.

Shire of Dalwallinu 24 Hour Gym

The Shire of Dalwallinu has a very well equipped gymnasium. Fees are reasonable and the gymnasium is accessible 24 hours a day.

If you would like to get fit, or just maintain your health, contact the Shire now on 9661 0500 to discuss your options for joining this facility.

You do need to be a **financial member** of the gym to utilise the gym and use the equipment.

Membership is available at the Shire Administration building. Inductions take place on Mondays and Thursdays.

Contact Megan Pipe or Lauren Willis for more information about enrolment.

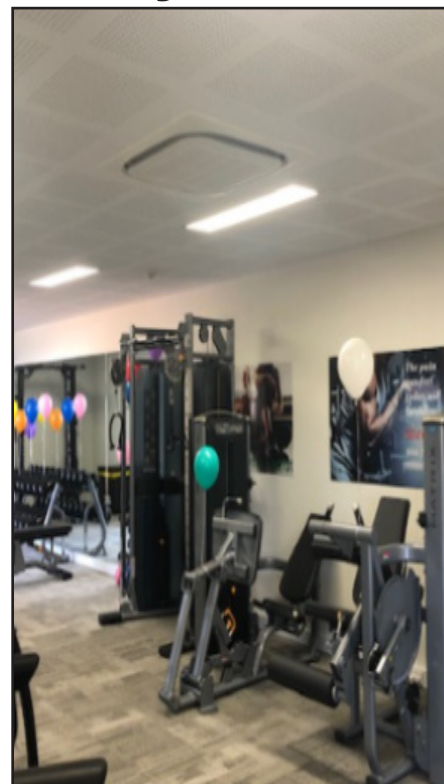

With gym membership increasing we do remind users to be respectful of fellow members and **wipe down all apparatus after use.**

Please remember to place all wipes in the bins provided and **turn off the air conditioning and lights before leaving the gym.**

We would also like to remind patrons that the windows need to be closed before you exit the building.

Members **must not** give their token to non-financial members of the gym or they risk having their membership cancelled.

Please report any damage that you notice to the Shire.

Are your Rates overdue?

Please contact Christie on rates@dalwallinu.wa.gov.au if you are having trouble with your payment and want to speak to the Shire about this.

We are continually updating our SMS Alert Register as it is vital that this remains correct. If you wish to be on our SMS alert register please let us know by sending an email to Christie Andrews on sfo@dalwallinu.wa.gov.au with your name, mobile number and township.

If you think you may have staff who are no longer working for you and wish to check whether your list is current please phone Christie who will be happy to assist you to ensure we maintain as current and correct a contact list as possible.

We consider this a vital community service which may save a life, but it is only effective if it is up-to-date.

Place of wheat and wattle....

Dalwallinu Discovery Centre

The focus of the Discovery Centre is now firmly on community and economic development. We have submitted an application for Youth Week 2023 and plan to have a youth led swap meet and fun day during the April school holidays. We have also submitted an application to the Department of Transport for funding to support our footpath network upgrades.

We are seeking community input regarding new businesses that would add to the amenity of the Shire, and gaps in goods and services that community members would like to see filled. A survey will be released shortly and will be available in electronic and hard copy.

We would love as many responses as possible from all sectors of the community to inform our business marketing and promotion activities going forward.

Library on Wheels

Every fortnight, the Dalwallinu library hits the road to deliver library books to people who are unable to attend the library in person. The service operates every second Tuesday and goes to the hospital, Acacia House, Pioneer House and private homes in Dalwallinu for a collection of avid readers who have eclectic tastes ranging from thrillers, romance and family sagas to history, biographies and stories about animals.

The books are available in formats from large print to audio books and normal print. It keeps us on our toes trying to find new materials for people who consume books in the way other people consume food and is the highlight of Jo's week when she succeeds.

This will also facilitate a "click and collect" for people who are able to select materials to be issued and collected at a later

time by a family member or support person. New patrons to the service are most welcome, so if you, or someone you know, would like to join the library on wheels contact the library on 96611805 or ecdo@dalwallinu.wa.gov.au

Library News

The library has been popular during November with the warm weather finally arriving. We have had quite a few new residents coming in to join the library and young families coming in to sit and read and play in a cool quiet place. Welcome to all.

E-resources have been sought after and Jo has become quite proficient at setting up the SLWA platforms on all kinds of devices. We never

thought we'd see the day! We had a wonderful response to our request for donated jigsaws (*more are always welcome if you have some to re-home*) and we also have a great range of donated books for locals and visitors to help themselves. The quieter weeks have given us time to clean out some cupboards and we have quite a collection of giveaways of new children's books. Come in and have a browse.

A reminder that we offer a fortnightly library on wheels home delivery service. If you or a loved one would like to access this service just call the library on 96611805.

Deliveries are every second Tuesday morning in Dalwallinu town site for local residents. New borrowers can join the library at no cost.

Mozzies are Back in Force

How to avoid being bitten

- At home screen all doors and windows, doors should be self-opening and open outwards
- When camping screen caravans, tents, swags and other sleeping equipment
- Wear long, loose fitting and preferably light-coloured clothing
- Use repellents containing DEET (diethyl toluamide) or Picaridin
- Recognise and avoid areas of mosquito activity such as swamps, marshes, billabongs and rivers floodplains

How to eliminate Mosquito Breeding in Your Backyard

You can take simple steps to help eliminate mosquito breeding in the community and you can do this by starting in your own backyard. Some of the things that you can do to help eliminate mosquito breeding include;

- Dispose of all containers which hold water
- Keep ornamental ponds stocked with mosquito eating fish eg goldfish
- Keep swimming pools well chlorinated and filtered and free of dead leaves
- Fill or drain depressions in the ground that hold water
- Fit mosquito proof cowls to vent pipes on septic tank systems. Seal all gaps in septic tank lids and ensure that leach drains are completely covered
- Screen rainwater tanks with insect proof mesh, including inlet, overflow and inspection ports
- Ensure guttering does not hold water

DO NOT
POUR FATS, OILS OR GREASE
DOWN THE DRAIN

No Dirt Bikes in Shire Reserves

Just a reminder that the riding of dirt bikes in Shire Reserves is strictly forbidden. Please do not use the Reserves as motor bike tracks.

The Councillors and Staff would like to wish everyone a very Happy Christmas and a safe and prosperous New Year

Dalwallinu Directory 2022-2023 - To Update

The new 2022-2023 Directory is now available at the Shire Office or the Dalwallinu Discovery Centre and other outlets within the Shire of Dalwallinu. If you see an error in the numbers or addresses **PLEASE** call Kate Greaves on 0437 517 551 to advise her so that she can make all changes or updates that are needed to be amended.

This is particularly important if you know of a deceased person who should be removed from this Directory. Kate is always available to discuss any changes. Contact Kate as soon as possible to ensure the corrections are made as it is only with your help that they can make sure the booklet remains as current as possible. This is **NOT** a Shire of Dalwallinu publication.

Fire Danger Ratings and Bushfire Warnings

- **Fire Danger Ratings describe the potential level of danger should a bushfire start.** They provide important information so you can take action to protect yourself and others from the potentially dangerous impacts of a bushfire. You need to understand the Fire Danger Rating to assess your level of bushfire risk and decide what actions to take.

The new Australian Fire Danger Rating System (AFDRS) levels are:

Moderate: Plan and prepare.

Most fires can be controlled. Stay up to date and be alert for fires in your area.

High: Be ready to act.

Fires can be dangerous. Decide what you will do if a fire starts.
Leave bushfire risk areas if necessary.

Extreme: Take action now to protect your life and property.

Fires will spread quickly and be extremely dangerous. Put your bushfire plan into action.
If you and your property are not prepared to the highest level, plan to leave early.

Catastrophic: For your survival, leave bushfire risk areas.

These are the most dangerous conditions for a fire. Homes cannot withstand fires in these conditions and if a fire starts and takes hold, lives are likely to be lost. Stay safe by going to a safer location early in the morning or the night before.

- When there is minimal risk, Fire Danger Ratings will be set to **'No Rating'**. On these days you still need to remain alert and abide by local seasonal laws and regulations.
