**New Shire Playgrounds**

**DALWALLINU**

New playground installed  
outside Arts and Crafts  
building in Johnston Street.

**WUBIN**

New playground installed in  
Arthur Street, Wubin.

The Shire recently installed two new playgrounds in Dalwallinu and Wubin.

These are additional playgrounds and present two engaging and colourful sites which should encourage families to stop and spend some time in our main streets in both Dalwallinu and Wubin.

The outside crew have worked very hard to enhance both of the precincts and the result is a welcoming site for both locals and visitors with children.

## Telstra 3G Closure Extended to 31 August 2024

The new date for the shutdown is August 31, 2024, a delay of about two months. After this date, devices that only support 3G and earlier network bands will no longer be able to make Triple Zero calls, let alone call friends and family, or send text messages.

Telstra's shutoff date for 3G was originally marked for June 30, 2024, 19 years after it launched in 2005. Vodafone already shut off its 3G network back in December, and Optus has September 2024 marked for its shutdown.

"This will also affect medical devices and other hardware connected to our 3G network, from EFTPOS terminals to farm

machinery," Telstra CEO Vicki Brady said in a blog post.

"If you're not sure if you will be impacted or what to do, you can SMS '3' to 3498 and we'll tell you if your handset needs to be updated."

But whatever you do, please don't delay. It sucks to need to pay for a device when it's for a reason outside of your own control, but after September of this year, you simply won't be able to use a 3G device across any Australian network.

## CEO Chit Chat

Unfortunately, we have been advised by DevelopmentWA that the two subdivisions scheduled to commence in May are on hold pending some outstanding issues. We hope that these will be sorted in the coming months.

The Shire of Dalwallinu has been successful in obtaining funding from Foundation for Rural and Regional Renewal to host a Community Celebration Day. The event is to be held on Saturday 7 September 2024. Keep an eye out for future updates.

Play equipment for the playgrounds in Wubin & Dalwallinu has been installed. Just waiting to install the water fountain and bike racks in Dalwallinu.

Council had their first budget workshop on 21 May 2024. This was to discuss the capital projects for the coming twelve months.

We would like to welcome Kiera Van Sambeek to our team. Kiera has taken on the role of Community Development/Discovery Centre Officer.

A big congratulations to Greg & Deb Whitehead who became grandparents on 28 May 2024.

We are currently looking for a Plant Operator and a General Hand. If you are interested, please contact the Shire Admin Office.

SHIRE PRESIDENT Keith Carter

## A Word from the Shire President

day it turned out to be. Dally won the A and A reserve games for the first time ever since joining the Mortlock league (32 years). Well done. The hockey girls celebrated the opening with a win also so a good way to open the building.

### Housing development

I guess those interested in the housing blocks are wondering where the promised work has gone. Unfortunately the earthworks have been put on hold as at the eleventh hour the Yued Aboriginal Corporation have requested a survey to determine there is no heritage claim here.

Hopefully this won't take long as it is only to confirm what the survey found 8 years ago .

### Rain

I do hope that by the time you are reading this we have had some

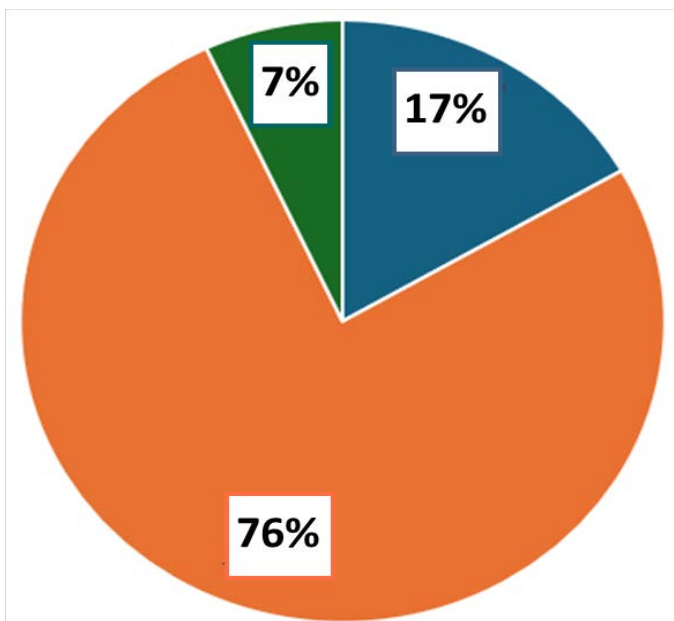

good soaking rain and the season is set up. Think we would all like to see some good rain -even the town people as the reticulation has to be turned off now.

On Tuesday prior to the council meeting Manager Works & Services Marc Bennett took Councillors for a look at some of the proposed works for the coming budget year.

This was an informative outing and an opportunity for Marc to explain how some of his projects are the first step in a bigger long term plan as more funding becomes available.

It was reassuring to hear the rationale in the planning and Marc has a good vision for the steady improvement of our roads-our largest asset.

## Hockey Pavilion Opening

Shire President Keith Carter officially opened the new Hockey Pavilion on Sunday 5 May 2024. CEO Jean Knight also attended. President of the Dalwallinu Football and Hockey Club (DFHC) Brian McAlpine said a few words before Cr Carter cut the ribbon to officially open the venue. The Dalwallinu Bulldogs League and Reserves teams were in attendance as were members of the Dalwallinu Hockey Club and members of the public.

Acknowledgement was made to Kyle McLaughlin from Building Base for the construction of the facility and to the Manager Works and Services Marc Bennett for supervising the construction.

This facility was funded by the Shire of Dalwallinu, a Department of Sport and Recreation CSRFF Grant and the Dalwallinu Football & Hockey Club (DFHC). The facility provides external seating areas for home and away teams, as well as showers, toilets and a viewing room with kitchenette.

This building is a fantastic addition to the Dalwallinu Recreation precinct and whilst the building will be leased by the DFHC during the hockey seasons it will be available to the community for hire during the off season.

The Cat laws are about encouraging responsible pet ownership and reducing the number of unwanted cats in the community and the number that are euthanised each year. All cats that have reached six months of age are required by law to be:

- micro-chipped
- sterilised; and
- registered with the Shire

Under The Dog Act 1976 and regulations, any dog over the age of 3 months should be registered within the Shire. All dogs need to be micro-chipped. Proof of micro-chipping is required at time of registration.

Please be a responsible owner and secure your animals by registration. Legislation applies to Cats after six months of age and Dogs after 3 months. Registrations are due on 31 October each year.

Please don't risk losing your precious pets by not having them registered.
